Foreword

Very soon what is now the vivid and wonderful present will be little more than the fading past. Today's exciting events will be but yesterday's fond memories.

The purpose of this, our **Spectator**, is to preserve for the future these moments in our most decisive years. In high school we have learned to work and to cooperate with others. We have learned to accept good and bad. We leave behind us the

carefree days of youth and enter into a world of responsibilities. As we look hopefully to the future, let this, then, be the key to unlock the door of our past, as today's exciting events fall into their respective places in our memories.

Administration and Faculty

Numbered among the many friends acquired during our high school years must be our teachers. Their interest and consideration of us as individuals has been of great importance. Their exceptional ability, patience, and understanding has made them not only excellent teachers, but guides to a good and useful future.

Seniors

Our three years at Wayne High have been filled with many activities including, homework, club meetings, dances, plays, athletic contests, and others. Through them we have discovered the value of education and of friendly relationships with others.

We dedicate this page to friend and classmate Eathel Hawkins who passed away in 1960 after a long illness. Our class is the worse for her absence, and her memory will be a part of our graduating ceremonies.

The Class of 1961

Class History

Let us, as we end our high school career, pause a moment to review the meaningful years spent at Wayne Memorial High School. We entered Wayne with a starry-eyed dream of joining the "elite" group of people known as high school students. Little did we realize how much work was involved in becoming a successful, prosperous class. Neither did we realize the determination it would take to make our class the confident, happy group it is as we leave the safety and protection of school and advance into the adult world as mature individuals, ready to face and cope with responsibility.

How did we progress from starry-eyed but frightened, self-conscious freshmen to our present position as the wonderful Senior Class of 1961?

It all started in September, 1957. We were the first class to fall under the 6-3-3 program. Insufficient room in the junior highs resulted in a divided freshman class. Only 303 members of our class attended Wayne High that

year and they really didn't "belong." At that time we weren't able to function as a full-fledged high school class although we did elect class officers and were represented in the Student Council. We were too busy watching upper-classmen to be impressed with our own disjointed condition, and before we knew it the year was over and we were on our way.

With a record-breaking 712 students we entered our sophomore year with all the energy and determination we could muster. As early as was possible, we organized our class and elected Merritt Felmly-President, Jim Petersen-Vice-President, Marlin Johnston-Secretary, Susan Lippert-Treasurer, and Judi Morningstar-Publicity Manager, an expertly qualified executive board that was to see us through our first turbulent year as a united class. Distinguishing ourselves as a class that was headed for the top, we chose two very wonderful people, Mr. Donald Stadler and Mrs. Beverly Kitts, as our sponsors. Their friendship and guidance have proven our choice to be undisputably the wisest thing we have ever done.

Our first social event, the dance, "Ming Jade," sent us into the whirl of extra-curricular activities that has kept us happily busy for the bigger part of three years. We picked our class sweaters and chose as class colors navy blue and white. To adorn our sweaters, we had the hawk, designed by Jeri Ann Sellers, which symbolized the prowess of our class. Students place class rings on their list of "most prized possessions," so it is easy to understand why we eagerly

ordered our rings and impatiently awaited their arrival early in our junior year.

With enthusiasm we elected Nick Christ as our Junior Class President, Bob Dittmar-Vice-President, Gwen Winekoff-Secretary, Richard Fojtik-Treasurer, and Diane Lomphey and Diane Raderas co-publicity Managers. At no other time during our school career had we faced such a busy schedule of events as during this year.

First came our class rings, which we proudly displayed. Then, to build up our treasury, we sold Christmas cards, wrapping paper, and door ornaments. Selling concessions at basketball games supplemented our funds and we began to enjoy a state of prosperity.

Our Junior Play "Dino," was, in the words of dramatics teacher, Mrs. Rice, "A superb exhibition of direction, production and acting, unsurpassed by any other class." Doug Flewelling will be remembered for bringing to life the bitter struggle and victory of a youth, not terribly unlike ourselves, who was fighting for his place in the world.

In preparation for our prom we chose, as our class flower, blue-tipped white carnations. The prom, "Moonlight Sonata" was presented in a beautifully decorated gym. Its success reflected the hours our class spent in careful planning and preparation.

Our final act as juniors was the election of Nick Christ to act again as our president and Bob Dittmar, Vice-President, Marilyn Maysilles-Secretary, Richard Fojtik-Treasurer and Dave Willet as Publicity Manager.

In the fall of 1960 we entered, with serious thought and some apprehension, what we realized was our original dream come true. We were at last Seniors. Along with the glory of so high a position came the responsibility of making up our minds about careers and further education. In proof of our excellent education, numerous seniors were singled out to receive commendation for outstanding achievements. The first Honor Society tapping ceremony was observed, and we began the social season with the presentation of the annual Fall Frolic entitled "Autumn Mist." In keeping with its name, an Indian Summer motif provided atmosphere, supplemented by the Johnny Titus band. Jeri Ann Sellers was crowned our first "Football Queen."

Our Senior Class play presentation, "The Diary of Anne Frank," was a thoroughly satisfying experience for both cast and class members. Again Mrs. Rice, drama coach, said, "Together, 'Dino' and 'The Diary of Anne Frank' are the most ambitious plays presented in a great many years," and our class chalked up another victory.

Our Spectator Assembly signaled the beginning of Our own yearbook sales. Yes, and our Prom, baccalaureate, and commencement end our high school career. Our motto "We sail on the ship of ambition, we anchor in the harbor of success" is a reassuring thought as we pause to think of what we leave behind. It is indeed our past and our present sailing that will bring us to "anchor" in the good and successful harbor in the future.

The Fall Frolic

"Autumn Mist"

The class of '61 will long be remembered as having presented one of the most outstanding Football Festival Dances in Wayne's history. "Autumn Mist," as they chose to call the annual Fall Frolic, was held in a gym beautifully decorated by the hard-working Seniors. The sky was of blue crepe paper. Pine and colorful maple trees added atmosphere.

Jeri Ann Sellers was honored as the first Football Queen. Nick Christ, Senior Class President, crowned Jeri Ann and at that time presented her with a dozen long stemmed American Beauty roses and a locket on which was engraved— "Football Queen—1961." Jeri reigned from a throne of white satin and it was for her that Johnny Titus and his band played "So Rare."

Each member of the queen's court, Judy Swoveland, Marilyn Fangboner, Rita Mordis, and Jane Zanarini, received a football on which were the signatures of the football players.

Refreshments were served at the Deer Run Inn, where pictures of the varsity players ringed the room. Unusual centerpieces decorated the tables and each napkin had "Autumn Mist" written on it.

A wishing well in the hall made the setting for the year's first dance complete.

SPECTATOR Assembly

Merritt Felmly leads refugees from the Mickey Mouse Club in a SPECTATOR chant.

Sing along with Gwen.

"Take that, you villain!"

Mike Reddy remembers he left his bath water running.

"Get back to your burrow, or I'll turn the dog loose!"

"Santa, like we're cool beats."

Seniors perform annually in the promotion of the sale of their yearbook, the SPECTATOR. The adventurous Class of 1961 tried to recapture "The Good Olde Days" in an hour of various skits, variety numbers, and speeches.

Dick Fotjik "MCeed" the acts that warned WMHS students of the beginning of sales of the Senior yearbook.

Take a look and once again relive these "good old days."

"There's a book goin' round like an awful disease, SPEC, SPEC-TA-TOR," or at least so wail the "Outs."

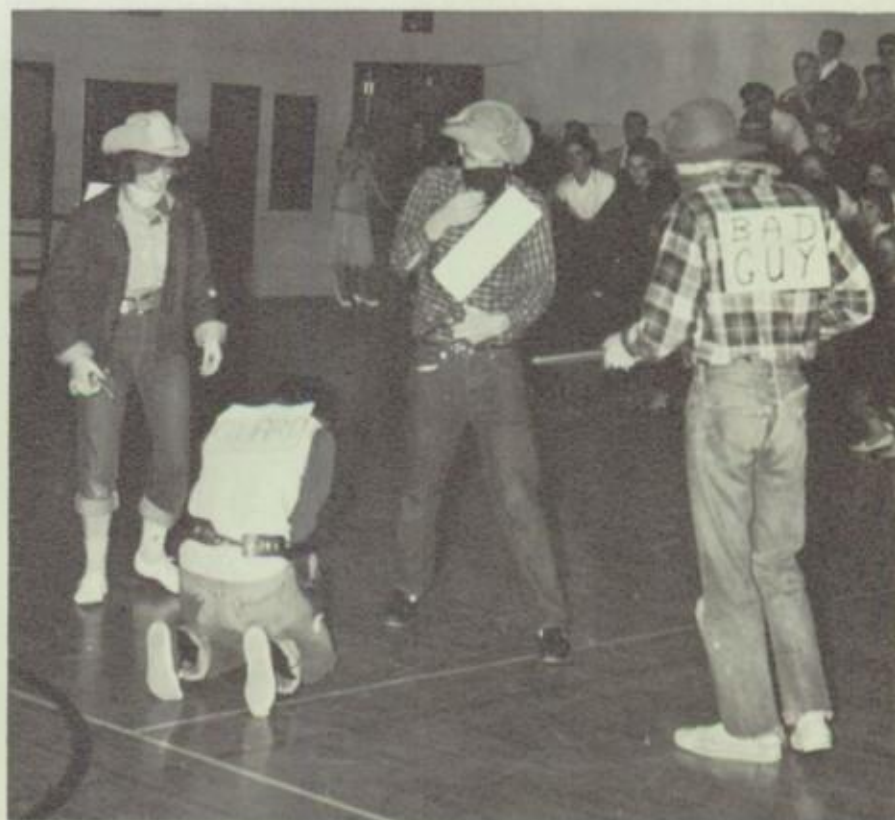

Barb Mallard builds up courage to stand near disguised Janet Robinson . . . Santa Claus?

"Ugh, you mighty intriguing squaw!"

"My, ain't that so-o-o-ome snake you holdin' der."

"Yeh, let's shoot 'em."

The Diary Of Anne Frank

The **Diary of Anne Frank**, universally known story of a young girl growing up in a world full of terror and hate, was the ambitious undertaking of the class of 1961. The calm, unshakable faith of the persecuted Jews as well as their moments of agonizing fear, anger, bitterness, and hope were all revealed as the emotions of eight people living together in a tiny attic for over two years were carefully recorded by Anne Frank in her diary. The personalities of the eight people were greatly varied. There was young impetuous Anne, quiet, patient Margot, and the strongest of the group, Mr. Frank. Mr. and Mrs. Vann Daan were primarily selfish and immature individuals while their son, Peter, silently endured the embarrassment his parents' quarrels caused him.

This play showed the day-to-day problems, conflict, and changes which Anne saw and experienced in the attic hiding place. The result was a moving and unforgettable experience which taught both the cast and the audience a lesson in respect and compassion.

Junior Class History

The Class of 1962, in this, its junior year, displayed unity and integrity as it saw its Class Play, "Gramercy Ghost," acclaimed an enjoyable and successful presentation.

Having elected Bill Coole, President, Gary Dell, Vice-President, Marie Tenorio, Secretary, Jeff Wells, Treasurer, and Sandi Pesti, Publicity Manager last spring, the class was able to go to work almost immediately in preparation for its prom, "Wonderland By Night," which was a Hawaiian paradise for an evening.

Selling Christmas cards and basketball concessions helped the class gain a position of relative financial prosperity as it looks impatiently forward to its next wonderful, but final, year at Wayne Memorial High.

The Class of 1962 Presents

"Gramercy Ghost"

Synopsis

Probably one of the most difficult of the dramatic arts is comedy. In the Junior Play, however, it would seem that the Class of '62 has mastered the art. The play, by John Cecil Holm, was the story of a girl who inherited a house and a ghost to go with it. Things weren't complicated enough when Nathaniel Coombes, the ghost, could be seen by only Nancy Willard, the girl who inherited him, but were made even more confused when Coombes fell in love with Nancy. The hilarious antics of this delightful hour caused many rib-cracking laughs and much acclaim.

The play was received with the accord due an excellent job of character acting. This presentation, "Gramercy Ghost," went one step farther in demonstrating the ability and spirit of the Junior Class.

The Junior Prom . . .

Wonderland by Night

The exotic loveliness typical of Hawaii was brought to life in the Junior Class' "Wonderland by Night." Truly a wonderland by night," the seven beautiful murals brought the sea and its riches right into the gym. Palm trees and draped fish nets flanked the Dave Martin band and authenticity as well as "mood" was created by the grass hut and bongo drums that were placed along the north wall. To add the final, most enchanting touch was "Wonderland by Night" spelled out across the wall in shimmering blue and beneath this a beautiful palm shaded island pool. A glamorous note was added by a mirror-covered ball hanging from the ceiling.

Punch and cookies were served in the charmingly decorated cafeteria. White roses, the class flower, adorned the sparkling white tables in delicate bud roses.

Sports

We have a wide variety of sports at Wayne High in which a student can participate either as a varsity, reserve, or intramural team member. Besides stimulating school interest, they offer a lot of fun and enjoyment to both participants and spectators.

Season Summary

Suffering its first losing season in six years, Wayne's varsity football team could muster only a 3-6 record this season. The Wayne school system's change to a three year high school program was the major contributing factor, as this year's seniors had only two years experience in the body contact sport.

One of Wayne's two non-league wins came in the opening game against Belleville, 7-0, marking Wayne's first opening game victory in ten years.

The second game pitted the Zebras against a fast and heavy Monroe team, and the Wayne gridgers took their first loss of the season, 20-6.

Inkster's Vikings, who hadn't won a game in two years, gave Wayne a scare by scoring in the early minutes of a non-league contest, but the Zebras pulled the game out of the fire, 13-6.

Although tied in first downs (8), Wayne received a trouncing from Lincoln Park's superior offense, 35-6, our first league loss.

Led by the talented passing arm of Wes Danyo, the Melvindale Cardinals administered Wayne's second straight Huron-Rouge defeat, 32-6.

As a birthday present for Coach Don Domke, Wayne won its first and only conference game by downing Ypsilanti, 27-20. The Zebras delivered a team effort and kept the Braves well in hand throughout the game.

Our one game winning streak was ended by Edsel Ford, 45-19. The Thunderbird's 45 points were the most scored against Wayne since 1953 when we lost a game to Catholic Central, 52-7.

Dearborn, Wayne's last league opponent of the year, proved to be a worthy adversary, downing the hapless Zebra gridgers, 33-6.

The last game of the year was a toughie, with Waterford's winning margin being two missed conversions as Wayne lost, 14-12.

Looking to the future, head coach Domke was hopeful that the recently inaugurated junior high football program would improve the caliber of material to come.

Reserve Football

Season Summary

The 1960 reserve football team had the best won-lost record, 7-1, in the school's class A history.

In commenting on the players, Coach Tom Roncoli cited the following outstanding performers:

Quarterback Ed Harmon, who threw ten touchdown passes in the seven game season.

Left halfback Ed Bramlet, who led the team in points with five touchdowns and one extra point.

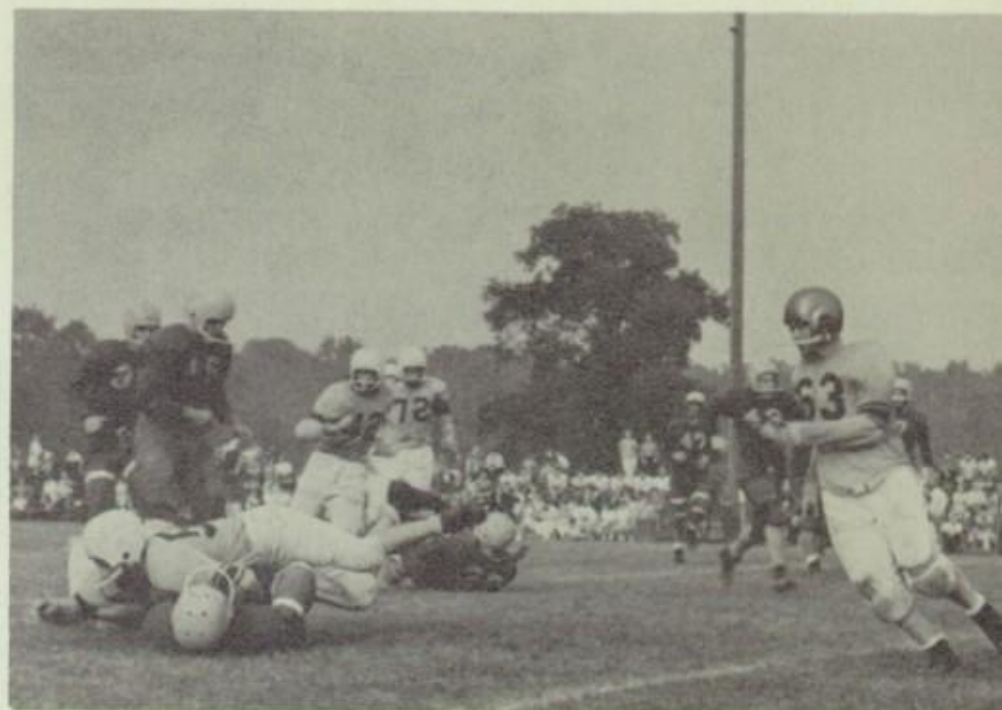

Two hundred pound Gary Wade who did an outstanding job at center.

Gene Oesterling and Doug Lancaster, who were the offensive and defensive iron men on the team.

Terry Flowers, Larry Houston, and Bob Butler, who showed a lot of promise as ends.

Joe Kadlec and Richard Gainer, who showed well as sophomores and have a lot of football to play next year.

Barry Hanchett and Les Dillon were outstanding defensively.

Season Summary

Our harriers, undefeated in dual meets this year, counted among their laurels the Huron-Rouge league championship, the Thurston Invitational crown, and a fourth place finish in the state meet.

The Zebras opened their most successful season in years by downing Dearborn, a pre-season title favorite, 21-37.

In its second meet Wayne sacrificed first and second places, but still edged Ypsilanti's Braves, who were later crowned state champions, 27-30.

The hill and dalers were well on the way to their first class "A" league title after squeaking by a powerful Edsel Ford team, 27-28.

Flexing their muscles in tournament competition for the first time, the Zebras outclassed fourteen other class "A" schools to win the Thurston Invitational, as their closest competitor, league-rival Ypsilanti, trailed 41 to 46. Demonstrating Wayne's depth, the reserve team captured the reserve crown by a 57 point margin over the runner-up team.

Returning to regular league competition, a confident Zebra squad placed seven men in the first eight places as it smothered the inept Melvindale Cardinals, 15-48.

Wayne clinched the Huron-Rouge crown by defeating the traditional league "spoilers," Lincoln Park, 25-30. It was sweet revenge for seniors who remembered being beaten out of the championship in 1958 by a well-balanced Parker squad.

The harriers rounded out the regular season by trouncing Romulus, 16-51, and outdistancing Inkster and Belleville in a triangular meet, 23-53-55.

Edsel Ford, by a scant one point, shaded Wayne out of the regional championship, 63-64. It was the second clash of the year with the Thunderbirds, Wayne having won the first, a dual meet.

Our hill and dalers literally "walked away" with the runner-up trophy in the state meet, but after a recount they were later advised by meet authorities to return the trophy. Despite Coach Richard Miller's protests, the Wayneites were officially awarded fourth place, and the team members were forced to give-up their runner-up medals. However, the state meet was not a complete disappointment for Wayne since Senior Pat Innes (11th) and Junior Dempsey Yearout (14th) won all-state stripes and medals.

Season Summary

The varsity basketball team, under Coach Bill Elliott, had one of its few recent winning seasons as they won 9 and lost 8.

Wayne won the season opener with Waterford, 49-33, as Bill Coole was high point man with 15 points.

Senior Mike Gouin, who missed the first game because of a back injury, returned to the line-up in time to lead a 70-41 romp over Garden City.

After winning two in a row, the Zebras were really shaken up by Lincoln Park, 48-70.

After Christmas vacation, Wayne started back on the winning trail by beating Ypsilanti, 46-43.

It was an unlucky Friday the thirteenth when the Zebras lost to Edsel Ford, 60-62, in the final 8 seconds of play.

Although Joe Johnston had 22 points, Wayne came out on the short end of a high scoring game with Inkster, 71-77.

Two losses in a row, one to Melvindale and one to Dearborn, brought Wayne's record to 3 wins and 5 losses at mid-season.

Park, the Zebras came within one point of the Rail-splitters, 55-56, after trailing by 18 points at half time.

Back on the right track after 5 losses in a row, Wayne defeated Ypsilanti for the second time, 55-48.

Mike Gouin had 18 points to lead the Zebra victory over Romulus, 53-31.

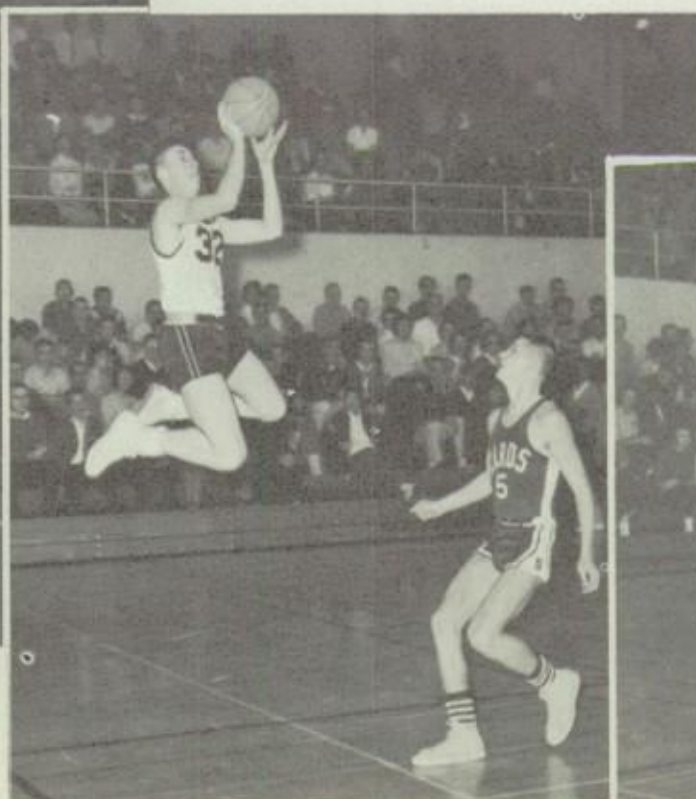

In a tremendous team defensive effort, Wayne held Edsel Ford to 32 points as the Zebras won their third game in a row, 50-32.

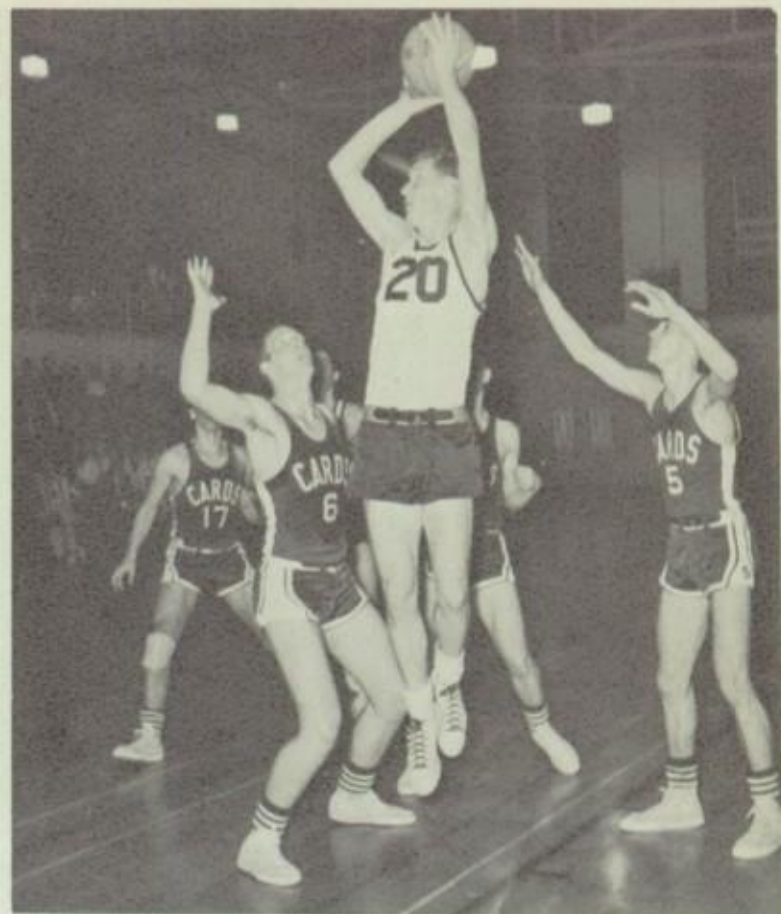

Led by Mike Gouin's 27 points, Wayne beat non-league foe Waterford for the second time, 46-43.

The high point of the season was Wayne's overtime defeat of league-leading Melvindale, 50-45; Dempsey Yearout led a balanced team effort with 12 points while four other boys contributed 9 or more points.

The last regularly scheduled game proved to be another heartbreaker as Wayne lost to Dearborn in the last minute of play, 65-67.

In the district tournament, the Zebras beat Thurston, 58-32, before they were eliminated by a tough Jackson team.

Season Summary

The reserve basketball team had a disappointing season as they salvaged only two victories, one from Garden City, 34-30, and one from Dearborn 34-33.

Coach Robert Morley summed up the season when he said, "The 1960-61 version of the reserve basketball team never seemed to get untracked. The season record of 2 wins and 13 loses hardly represents the type of team they were. With a break one way or the other, some of the loses could have been wins. It was a year of transition, and it is the hope of the coaching staff that some new ideas and principles have becoming ingrained in the playing personnel. The work of Don Pennington, who scored 95 points, and the over-all team defense, sparked by Ed Bramlet and Larry Kovacs, were the high spots of the season."

Season Summary

Faced with top-notch league competition this year, Wayne's wrestlers could manage only a 2-6-1 season record.

One of the Zebras' two victories came in the first match of the season as Wayne rolled over Romulus, 43-10.

After a depressing loss to Waterford, 21-31, Wayne came back to defeat Flat Rock, 35-15, by winning all but three of the individual events.

Evidently hurt by the long Christmas vacation, four first-string boys failed to make their weight; and Wayne lost a futile match to Dearborn, 5-47.

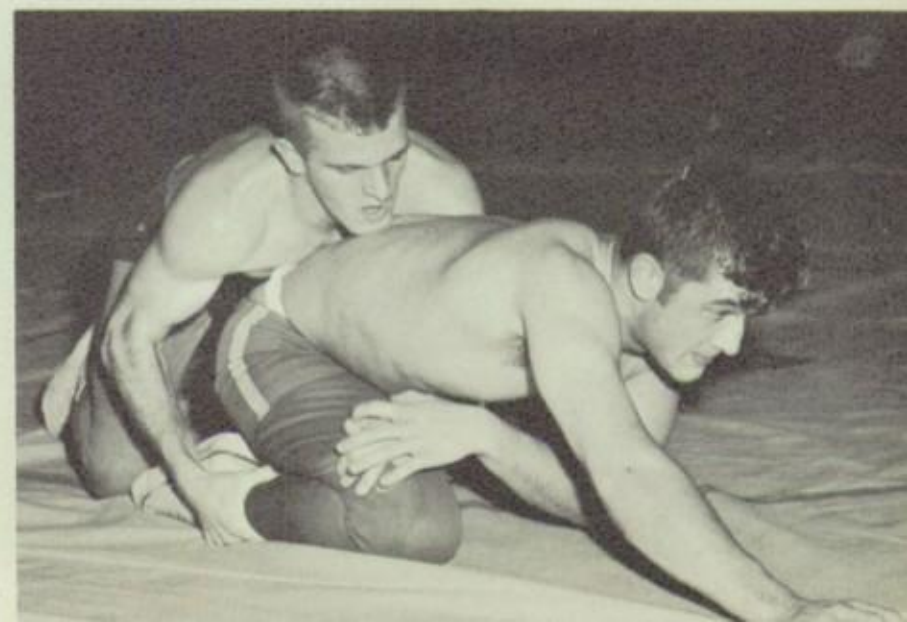

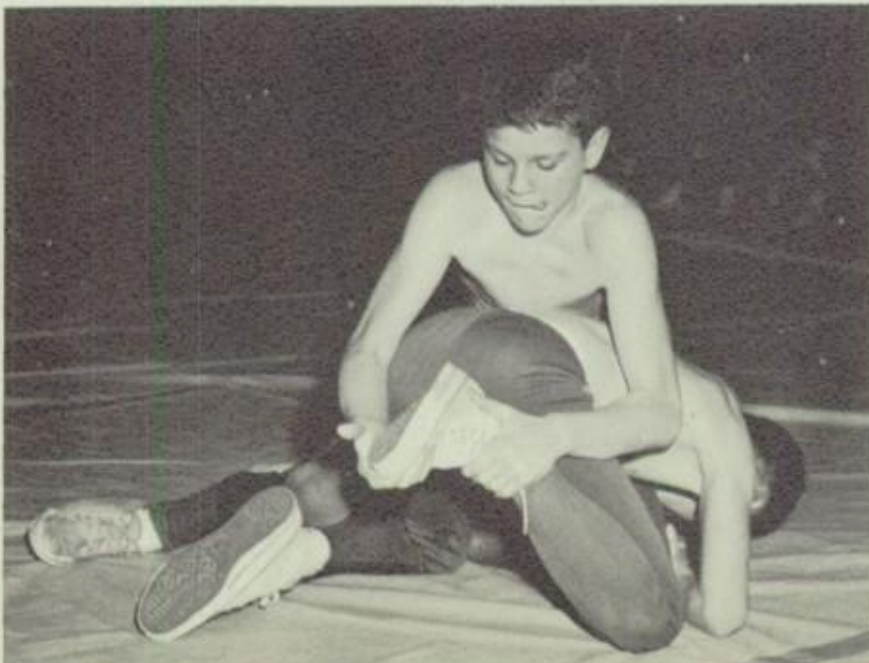

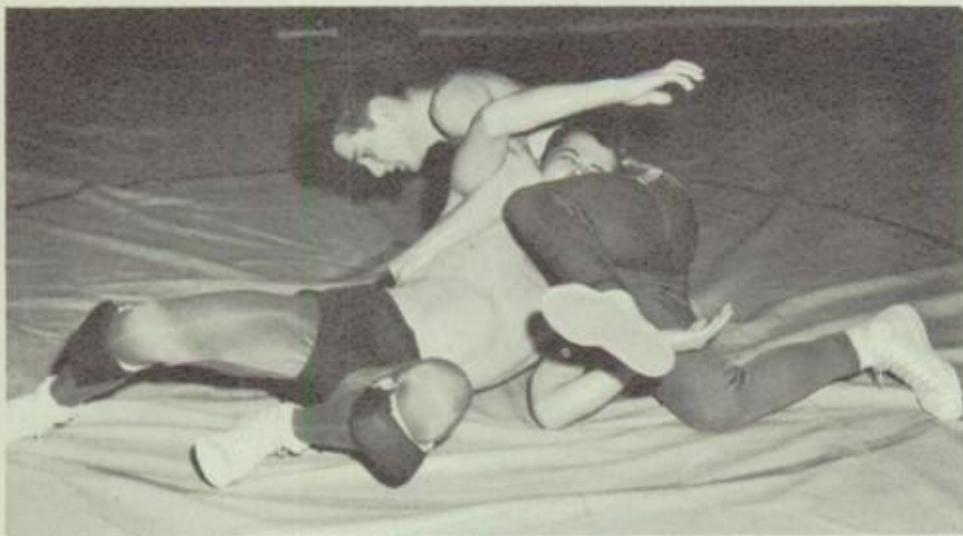

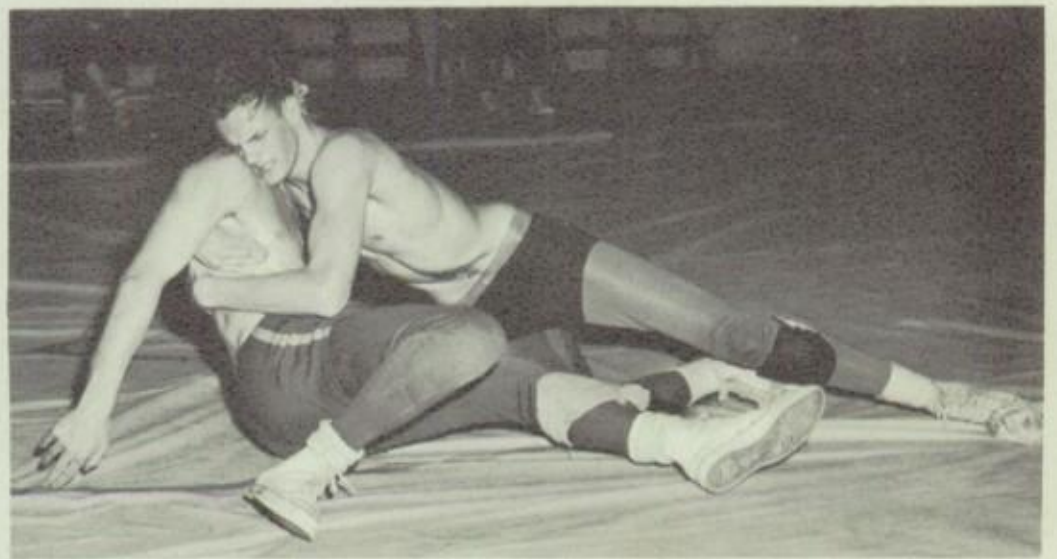

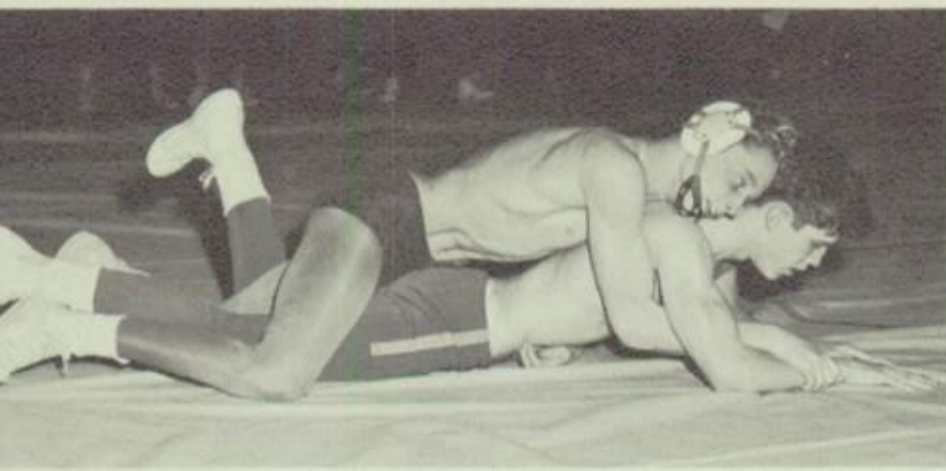

Wayne's match with Melvindale found both teams almost even in ability, but the Cardinals' superior strength eventually dealt the Zebras a close defeat, 19-25.

Every Wayne man gave his best in the Edsel Ford match; nevertheless, the Zebras failed to gain a single decision in the last four events, and they lost another close one, 19-23.

After being out-classed by a very good Ypsilanti squad, 10-39, Wayne lost the services of Mike Rossi in the Saint Thomas match, which ended as a tie, 26-26.

The season ended on a flat note as Wayne lost to previously-beaten Flat Rock, 19-27.

Reflecting on the season, Coach Norman Boyea cited Ken Etherton for his attitude and many fine performances. To quote Coach Boyea, "This is a sport that takes 90% guts and 10% ability. You have to want to win, you have to like the hard work and punishment that comes with it. Unless Wayne can get more strength in the heavier weight classes, we will find it hard to compete. The future of this team is in the hands of John Jacobs, Paul Brown, Walt Ott, Henry Coleman, Tom Comis, Jeff Wells, George Schumm, John Bullard, Chuck Fisher, and a few other boys."

Season Summary

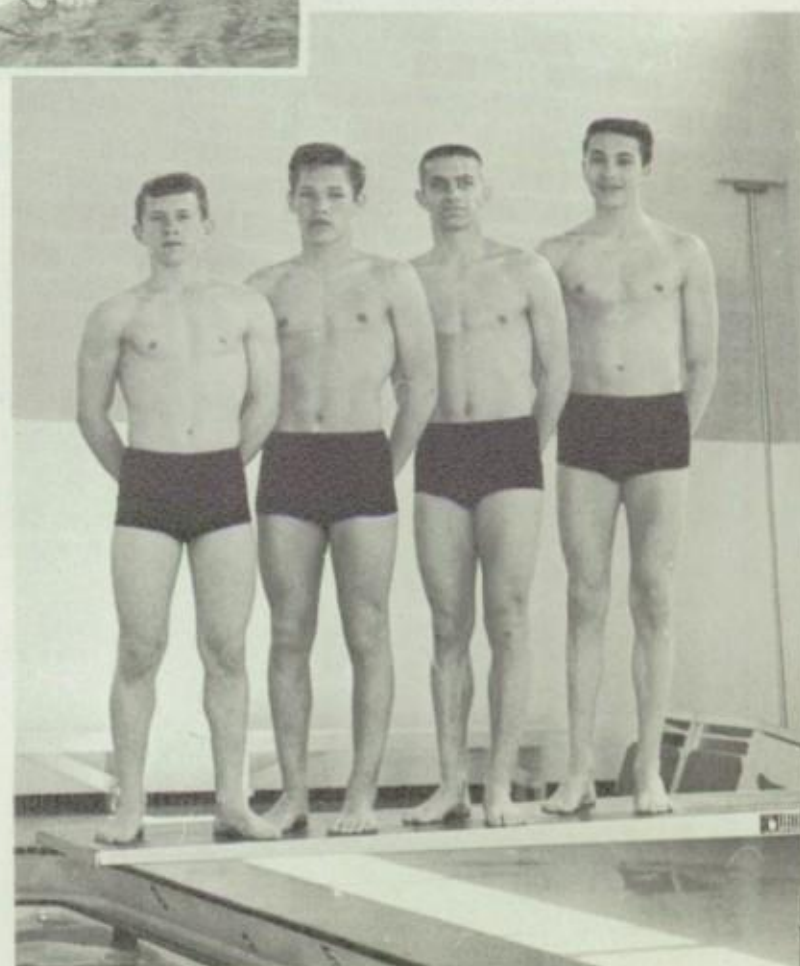

The swimming team had its best season since its inception as a varsity sport at Wayne High. Coach Terry Byrnes cited four factors responsible for the team's success: the team's high morale, their pride of accomplishment, their hard work, and the strong backing provided by the reserve squad.

Fifteen boys lettered this year: Louie Suter (co-captain), Bob Dittmar (co-captain), Andy Pavlich, Ken Hurrelbrink, Warner Frazer, Bob Butler, Doug Doege, Bob Gauthier, Ron Swegles, Steve Ribble, Tom Latzman, George Arends, Jon Martin, Terry Gizzi, and Dwight Moyer.

In an astounding assault on the record books, the 1961 team set at least two new records in each meet; in all, seven individual team records were set; Louie Suter, 50-yard freestyle; Bob Dittmar, 400-and 200-yard freestyle; Andy Pavlich, 100-yard butterfly and 200-yard individual medley (league record); Warner Frazer, 100-yard backstroke; and Bob Butler, 100-yard freestyle.

Take a guess. Who's faking and who's playing?

Tom, are you surprised that you are on the beat for a change?

You don't impress me at all.

Did you ever have the feeling someone is watching you?

It is especially to be commended for its brilliant participation in the annual Christmas Concert here at Wayne High.

Debate

Good research, logical development, fast thinking, and clear self-expression are important qualities demanded of and learned by the debater. Research into a subject and argument of its pros and cons provide an interesting and challenging approach to current problems of national and international concern. Fall and mid-year initiations make it possible for all French students to join the club. The Annual Foreign Language Festival in Ypsilanti gives students an opportunity to display their knowledge of French.

Future Nurses of America is a Club with an eye to the future. Any student interested in nursing can join. This club, though inconspicuous, is definitely an asset to Wayne High's list of "social" activities.

This year the club members participated in a number of activities which included attending the "FTA Day" at Eastern Michigan University and visiting many elementary and junior high classrooms. Part of the entertainment was provided by Miss Oberlin, and on another occasion, last years' club president, Marilyn Snyder, both of whom talked about college life. A panel of teachers from different grade levels presented an excellent discussion that was greatly appreciated by all members.

The purpose of the G.A.A., one of the largest and finest clubs in Wayne High, is not only to teach sports, but to develop sportsmanship. Membership in the club may be obtained by acquiring points playing in intramurals. Sports, a dance, and the spring G.A.A. picnic are activities that members find fun and recreational. Initiation ceremonies from the most interesting phase of entertainment as the "Worms" perform outstanding and humorous feats.

The National Honor Society is an organization whose purpose is to give recognition to those outstanding Seniors who have displayed excellent character, leadership, and service, to both school and community and who have a 3.4 or above average. However, since any organization earns its right to exist solely by what it does, the Honor Society aims at being of service to the school and community. Activities with this purpose in mind include ushering for events held in the auditorium and school, giving two baskets of food to the needy at Christmas time, sponsoring the "Last Chance Dance" and checking the school against safety hazards.

Honor Society members reflect upon their good fortune after having been tapped for membership.

Checking hall passes to see if students have proper authorization to be in the hall is only one phase of their work. They stop loiterers and report any conduct that is unbecoming or hazardous to student safety.

It's too bad people don't drop big pieces of paper, they're easier to pick up.

HI-LITE

Our school paper, the HI-LITE, is the most interesting means of informing the student body of all school academic and social events. It is the product of a great deal of work and resourcefulness on the part of its editors and writers, and is the most essential link between student groups.

Formed in 1956, the Wayne Key Club, open to sophmores, juniors, and seniors, is part of the Michigan District of Key Club International. The Key Club has promoted, during 1960-1961, their motto, "We Build" by distributing Muscular Dystrophy cannisters, sponsoring a hayride, "The Big 'D'," or a "chat and chew" and giving all the proceeds to the March of Dimes. Adding to its achievements, the Key Club has also formed a scholarship committee recently.

"Our motto may be 'We build,' but I'm too tired to move."

Row 4: Lynn Rorabacher, Ed Harmon, Mark Petty, David Parker, Barry Burchholz, John Halsey, Bruce Barrett, Jim Wood, Rick Savage, Mike Baker, Dave Ostrowski.

The Latin Club, well known for its school spirit and activeness has just experienced its first year as a member of the Junior Classical League, a National organization of over 75,000 members. Their purpose "is to encourage among young people an interest in and an appreciation of the civilization, language, literature, and art of ancient Greece and Rome, and to give them some understanding of the debt of our own culture to that of classical antiquity."

Initiation ceremonies, a saturnalian Celebration at Christmas, sponsoring a dance, a Roman Banquet in the spring for which everyone dresses in Roman Costume, and selling activity room concessions keep club members busy throughout the year.

The awarding of a \$200 scholarship to an outstanding Latin student marks the club as being quite remarkable.

"Friends, Romans, and Latin Clubbers, how about letting me quit making a fool of myself?"

Learning the role of good librarians and participating in district meetings gives the Library Club a very definite purpose. Presenting a dance and going on a Spring picnic, along with many other activities, lets the club members enjoy mutual social interests.

"Okay, it's visiting day for you guys who haven't paid your fines."

"Sometimes I think the whole library is held together by Scotch Tape."

"I wish it was always this easy to arrange dates."

The Math Club serves several important purposes; these are: promoting school spirit and leadership, creating individuality and a desire for a higher learning, and, finally, that of providing the opportunity for a group with mutual interests to work together.

These activities let members have a closer look at the career possibilities in the field of journalism.

The Science Club, founded in 1954, has become one of Wayne High's most promising clubs. Members prepare and present experiments of a scientific nature as entertainment. Thus, learning is transformed into a pleasant experience and at the same time places responsibility in the hands of those arranging the program. Scientific films, field trips and lectures supplement the every-other week programs. Dependability, resourcefulness, and ingenuity are important characteristics of Science Club members.

Panel

Row 1: Sandy Mc Aleese, Perry Perkins, Ron Brender, Ken Wilhoite, Norma Bechtel.

Less formal than debate, and hence freer to explore all areas of a topic, panel discussion, a State Forensic activity provides another opportunity to develop skill in public speaking. Critiques presented by competent judges provide evaluation of an individual in five areas of discussion skill: communicative speaking, knowledge of subject, analysis of subject, reflective thinking, and cooperative behavior.

In the spring, outstanding Spanish Club members take part in the Language Festival held in Ypsilanti.

Student Council

The Student Council is a meeting point between the administration and the student body. Its projects this year have included the development of the Season Pass, the construction of the Coming Events Sign Board, and cooperation with the administration on the general problem of manners, morals, and conduct among students.

Its other activities such as the Magazine Drive, our major money raising projects and the activity room, which is unique among schools in this area, are other important and useful functions.

The National Thespian Society works to promote school and community interest in the theatre. Students work on play committees and as actors in dramatic presentations to earn the 10 points signifying 100 hours work in order to become members of the society. The ability and resourcefulness of these students is evident in the superb acting exhibited in all our plays. The ingenuity of these students is shown in the varied fields in which they must successfully work to bring a play before an audience. Gaining dramatic ability and experience are outstanding characteristics of the National Thespian Society.

Barbara Edmondson and Geneva Taylor prepare to eat props.

Hard at work, Margaret Meier, ponders the future of the Senior Play, "The Diary of Anne Frank."

Wolfgang "Pete" Mieder
German Foreign Exchange Student

During the last year, effervescent, energetic, Wolfgang "Pete" Meider, our German Foreign Exchange student, has had the opportunity to realize his dream of visiting America. Pete says he has no complaints about Wayne High and very seriously expressed a desire to stay in America as long as possible.

Model United Nations

Four WMHS students participated in a model United Nations this year. Representing Albania and Yugoslavia at Hillsdale College, these students learned about United Nations procedure by participating in a "general assembly" and discussing world problems such as colonialism and conditions in the Congo.

The Dramatics Club Presents

Betsy's First Report Card

"Betsy's First Report Card" was the Dramatics Club presentation for "An Evening of Plays." The satire of this play, once produced for television by Peg Lynch and Alan Bunce, centered around the turmoil resulting from Betsy's "unusual" report card and her parents startled reaction to the seemingly non-sensical system used to evaluate their daughter's ability.

An Evening of One-Act Plays

A Young Lady of Property

The second play "An Over-Praised Season" revealed some of the problems facing teen-agers. The excellence of this play was created by superb acting and was presented with a great deal of feeling and understanding.

Wayne Memorial High School's entrant in the State Play Festival at Wayne University this spring is the third play, "A Young Lady of Property." This play presented the conflicts of a fifteen-year-old girl, Wilma Thompson, as she faced the decisions of growing up. Here was seen a production that will be remembered for its excellent characterization and qualities of human emotions.

going to live better than  ever before... electrically!

You, today's graduate, are entering an exciting new era where you will live better than any generation has ever lived before—the era of all-electric living.

Your all-electric home for example, thanks to time-saving electric equipment and appliances, will allow you and your family more time to enjoy life together.

Your job will be smoother too. Electricity, in everything from office equipment to heavy machinery, will lighten your work—make it more enjoyable.

If you decide on further education, your field of study may well be related to electricity. Perhaps someday, as a scientist or technician, you will even lend your knowledge to further mold the all-electric world of tomorrow.

But wherever the future finds you, whatever your place in life, electricity will be there to help you live better than ever before—live better electrically.

"There's a girl I'd like to know"

"She has so much poise and confidence—I'll bet she works for the telephone company. Those girls are so attractive and have such friendly, pleasant manners."

They're talking about Lucy, who started working for Michigan Bell right out of high school. She was trained by friendly, understanding supervisors and today she's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

Lucy was delighted from the very first by the clean, pleasant surroundings, by the regularly scheduled mid-morning and midafternoon "breaks" for relaxing in comfortable lounge rooms, and by the opportunities for advancement.

Isn't that kind of job worth going after? Then why not get in touch with us—perhaps there's a telephone job for you. We'll be happy to talk with you about the interesting work at Michigan Bell.

For returning underclassmen the end of the school year marks but a brief parting. For Seniors, it is good-bye to high school life forever. Saddest of all is that June 15 cites the farewell of the Class of '61.

I would like to thank the Seniors who gave their time and effort, Mr. Mack Suprunowicz of Modern Yearbook, Powell Studios, especially Sam Slis, for many of the pictures, and especially Mr. Dan Diadiun, who had to bear the pressure. All made this book possible.

May this, the 1961 SPECTATOR, be a keepsake of memories and one not only the Seniors, but the underclassmen as well, will treasure as a remembrance of what has been and what can never be.
